

Mandatory Items in Hockey Canada Profile

The following items are required to register your player for hockey. These actions must be completed before your player is allowed on the ice for the upcoming season.

Your Spordle account can be accessed here: <https://myaccount.spordle.com/dashboard>

Birth Certificate Upload

Child's birth certificate must be upload to your Spordle profile. If you click on Members and then click on your child's initials you will see 'View Profile', from there you can click on Documents and Add Document.

Proof of Residency Upload

Proof of residency must be uploaded to your Spordle profile. Proof of residency is your driver's licence or utility bill that matches your existing address in Spordle. Make sure that the address and date are visible in the photo. If you click on Members and then click on your child's initials you will see 'View Profile', from there you can click on Documents and Add Document.

Respect in Sport Parent

This is a required program that parents must complete; the cost is \$12. If you have previously done this in another sport / with another child, you can contact them at 1-866-956-9791 to have them add it to your Spordle account.
